This is

*Profile** by Drexel . . .

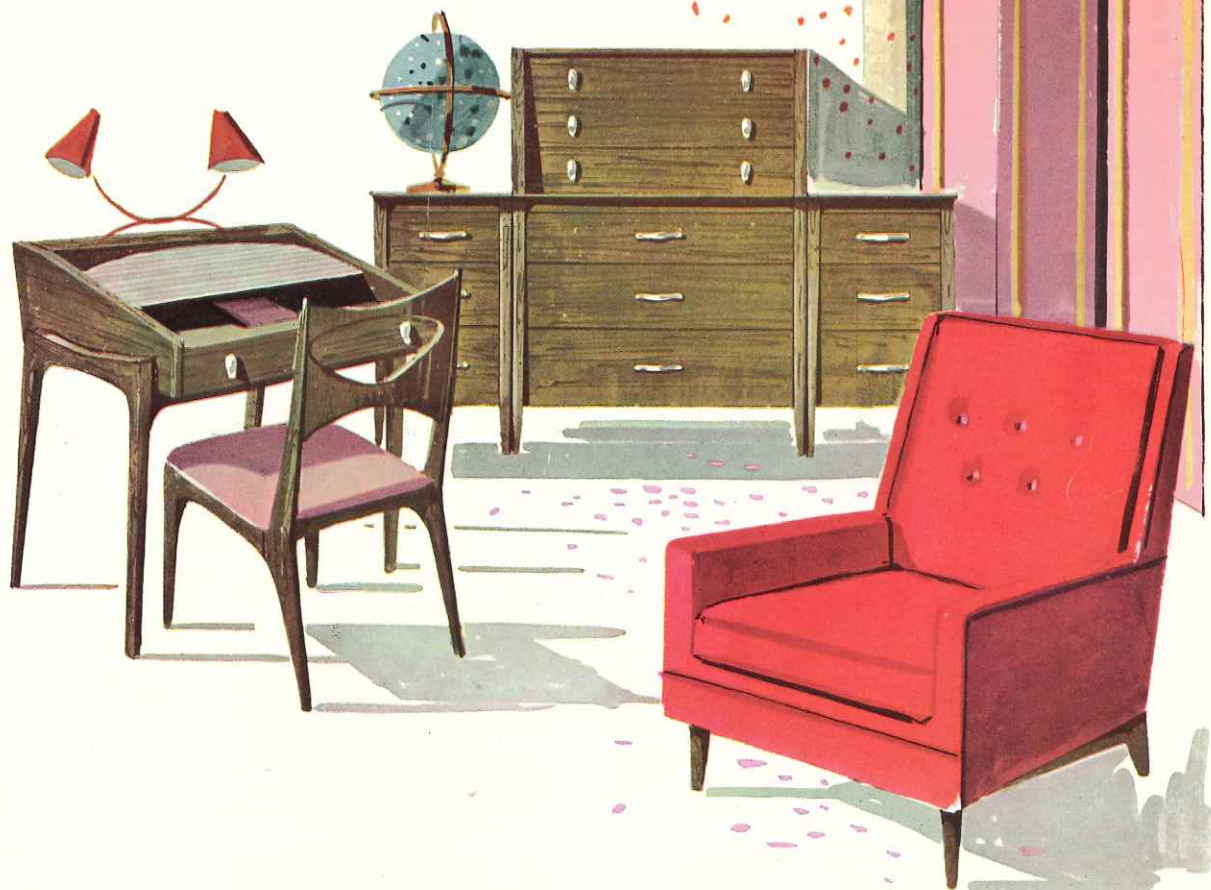

*Different furniture, distinctive furniture
that fits your plans*

Profile fits your present home . . . fits your plans for Someday, too!

Designed by John Van Koert, famous silver designer, Profile brings you the richness of ripe-brown walnut, curved for space-saving side-by-side arrangements in the smallest apartment. Add to this the elegance of silver-plated hardware and you have dignity fit for the largest country estate. Yes, this new open-stock Drexel collection is timeless as tomorrow . . . you can plan *ahead* to years of happy Profile living!

fits

your

place

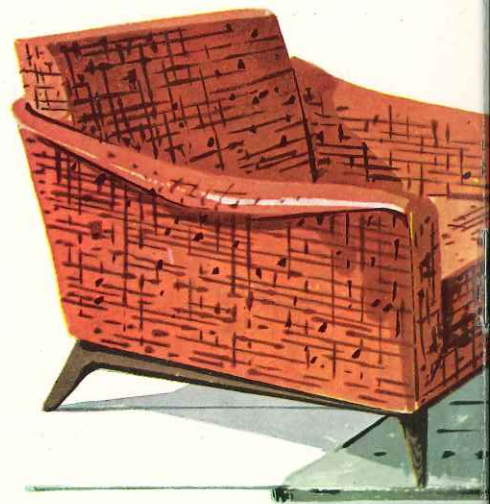

Wherever you live,
live better with Profile
to grace your rooms!
From Boston to Butte,
Miami to Monterey,
one-room walkup
to suburban mansion,
Profile's clean-cut lines
are beautifully at home
across the country!
Fit *your* place with Profile . . .
for a place that's fit for a king!

*There's convenient comfort in this bed
with a seat-foot . . . in single or
double size. The six-drawer chest and
the eight-drawer dresser with its
matching mirror give you so much room!
And the upholstered lounge chair
beside that cunning spindle table makes
a wonderful bedtime reading retreat.*

Profile by Drexel *fits your purpose...*

Like every woman, your purpose in planning your home is to create the atmosphere that shows you and your family at your best. Profile's quiet quality marks your home as a place of distinctive good taste. If you shine in traditional surroundings, Profile's deep, ripe-brown walnut wood blends with your prize antiques.

If you're a vivacious contemporary, Profile's sleek, curved, modern lines enhance the most advanced accessories. You can fit your purpose to perfection . . . with Profile!

Inviting upholstered lounge chair with plush pillow back looks so right in this setting with its intimate little supper tables with detachable suspended shelves. Pyramid unit on the supper table gives extra shelf space and can also serve as a room divider. The china deck above the spacious buffet has interior lighting and glass shelves to display your treasures.

your

pride . . .

Three-drawer bachelor's chest is topped by a graceful, curving deck; larger deck features interior lighting and gleaming glass shelves, tops a roomy buffet with two cupboards. Extension table and comfortable chair are designed for utility as well as beauty.

Because Profile is thoroughbred, through and through, it gives your home an air of distinguished quality. Millions of feet of fine walnut were inspected before the 10% was found that met Drexel's satin-and-sable requirements! Only the smartest fabrics, softest leathers, clearest colors were used in Profile's upholstery! It all adds up to furniture you'll treasure with pride for years!

Here's a room a man can really relax in! Look at the size of that beautiful bed—and the upholstered back rests are just the right height for reading! Seven-drawer dresser with matching mirror combined with functional man's chest gives plenty of room for both of you. Hoop chair adds color and smartness.

Profile by Drexel

*fits your
practicality...*

Like every capable homemaker, you're looking for duty as well as beauty in your furniture. Larger Profile pieces, such as dressers, chests and buffets, are made of finest walnut. Durable pecan is combined with select walnut veneers to strengthen other pieces. A special protective finish guards against scuffs and scars. Profile extension tables have glide-easy steel slides that keep them firm and free from warping or shrinking. And never before has furniture with the sculptured sophistication of Profile been offered so reasonably! Select your favorites from the Profile pieces shown here, then see the pleasant surprise of Profile prices!
